## Current Lesson: Banking Basics

Level 6 - Emma is currently learning

60% Complete

### Learning Objectives

- ✓ Understand what a bank is and how it works
- ✓ Learn about savings accounts and deposits
- Discover how ATMs and debit cards work
- Practice safe banking habits

### What Emma is Learning

#### Interactive Video

5 minutes

Emma the Explorer visits a friendly bank and learns how money is kept safe and how people can save for their dreams.

Key Concept: Banks keep money safe and help it grow

#### Fun Activity

10 minutes

Virtual bank teller game where Emma practices making deposits and withdrawals using play money.

Key Concept: Practice makes banking easy and safe

#### Mini Quiz

3 minutes

Fun questions about bank safety and how savings accounts work, with colorful rewards for correct answers.

Key Concept: Test knowledge in a fun, pressure-free way

### Conversation Starters

Use these prompts to discuss today's lesson with Emma at home

#### Ask Emma:

"Can you tell me what a bank does with the money people give them to keep safe?"

#### Discuss:

"What are some things you might want to save money for? How could a bank help you reach that goal?"

#### Safety Talk:

"Emma learned about keeping money safe at banks. What are some ways we keep our money safe at home?"

#### Real Life Connection:

"Next time we go to the bank or ATM, would you like to help me and see how it works in real life?"

### Coming Up Next

Prepare for upcoming lessons and discussions

#### Level 7: Investment Intro

Learning how money can grow over time

Topics: Stocks, bonds, compound interest basics

#### Level 8: Smart Shopping

Making wise spending choices

Topics: Comparing prices, needs vs wants, budgeting

#### Level 9: Goal Setting

Planning and saving for dreams

Topics: Short-term vs long-term goals, saving strategies

### Tips for Parents

Support Emma's financial learning journey

#### Best Time to Discuss

Right after Emma completes a lesson, or during everyday activities like shopping or visiting the bank together.

#### Keep it Positive

Celebrate Emma's progress and curiosity. There are no wrong answers - focus on exploration and learning together.
